Smith v. State – Intangibles tax refunds to non-protesting taxpayers. On February 21, 1996, the U.S. Supreme Court declared North Carolina's intangibles tax unconstitutional. Subsequently, the State made refunds of intangible taxes paid by all persons who had complied with the provisions of G.S. 105-267, Taxes to be paid; suits for recovery of taxes, for obtaining refunds of unconstitutional taxes. The Smith case is an action aimed principally at recovering intangibles tax refunds for taxpayers who failed to comply with the provisions of G.S. 105-267. On December 4, 1998, the Supreme Court ruled that North Carolina will have to pay refunds to non-protesters who paid intangibles taxes. This case was consolidated with Shaver v. State, another action for refund of intangibles tax paid on shares of stock. The consolidated case was settled and the agreement required the State to pay \$440 million into a settlement fund in two installments, \$200 million by October 1, 1999, and \$240 million by July 10, 2000.
